

PUBLIC COMMENT SCHEDULE

TITLE V BLOCK GRANT

The Maternal and Child Health Section (MCH) of the Georgia Department of Public Health is entering its annual public comment period for the Title V Block Grant. During this period, MCH accepts comments from the public on Georgia's Annual Report/Application for the grant.

Who can comment?

Everyone in Georgia is welcome to participate, including people working in the maternal and child health field and members of the community.

Why should I comment?

Your comments help us improve our programs and ensure that we are moving in the best direction possible.

What do I comment on?

We will post documents that provide an overview of the health status of women and children in the state and our strategies to address the most important health problems. We welcome comments on what you think the most important health issues are and any comments you may have on proposed activities for the next five years.

When do I comment?

Sections of the Annual Report/Application will be posted to [http://dph.georgia.gov/title v](http://dph.georgia.gov/title-v) as they are completed. The comment period will close on Sunday July 12, 2015.

Posting Dates	Documents Posted for Comment
March	Child Health Status Overview Adolescent Health Status Overview
April	Maternal/Women's Health Status Overview Smoking, Health Insurance and Oral Health Status Overview
May	Children with Special Health Care Needs Overview Perinatal Health Status Overview Proposed State Priority Areas
June	Proposed State Action Plan Final Annual Report/Application

How do I comment?

You can email your comment or questions to dph-mchebi@dph.ga.gov with the subject line "Title V Comments".
